Article Numbers: 96067, 96066

Safety Instructions:

- An additional cable tray is required to mount the castors, which is available separately.
- Ensure that the castors are correctly fitted to avoid accidents. Note the cable tray in addition to the assembly.
- Ensure the necessary safety instructions for using the castors to prevent injuries, especially during mobile use.
- Do not exceed the maximum load capacity of 200 kg.
- The product is not intended for use by children. Supervision is required to prevent misuse.
- Check rollers regularly for defective parts.
- Use suitable surfaces for mobile use to avoid falls.
