Article Numbers: 95739, 95738

Safety Instructions:

- Installation should only be carried out by qualified personnel.
- Make sure that all parts are securely mounted to avoid possible injury.
- Use suitable tools and wear personal protective equipment during installation.
- Make sure that the table top is securely fastened to prevent it from tipping over.
- Keep the installation area free of obstacles to avoid accidents.
- Observe the safety instructions for the correct installation of the ESD side plate.
- Avoid working in damp environments to minimise electrical hazards.
- Regularly check the ESD side plate for damage or wear.
- Only use the ESD side plate for the intended applications.
