Safety Instructions:

- Please ensure that the perforated plate is correctly mounted on the frame to prevent it from slipping or tipping over.
- Pay attention to the sharp edges of the steel during installation and wear gloves if necessary to avoid cuts.
- To avoid safety risks, do not use the product for applications that exceed the intended limits.
- During assembly, ensure that all parts are properly secured to avoid injury.
- Read the product instructions carefully before use and follow the installation instructions.
- Do not overload the plate to avoid stability problems.
- Keep out of the reach of children to prevent the risk of injury from pinching.
