Safety Instructions:

- Ensure that the wall bracket is mounted on suitable, stable surfaces to prevent accidents and minimise the risk of slipping or falling.
- During installation, ensure that no electrical cables or pipes are damaged.
- Children should be supervised during use to prevent injury from improper handling.
- Avoid placing heavy objects on the viewing panels to prevent damage or breakage.
- Keep the panels away from direct heat sources and aggressive chemical cleaners to prevent damage.
- Do not use the panels near water or in damp environments to prevent mould growth, weathering and short circuits.
- Follow the installation instructions carefully to ensure safe use.
- Check whether the base is suitable for the magnet to ensure a secure hold.
- Keep small parts out of the reach of children to avoid the risk of choking.
- Avoid use in areas with high humidity to prevent corrosion of the metal wall bracket.
- The product may only be used for its intended purpose; improper use may result in injury.
- Ensure that the panels are correctly inserted in the holder to prevent them from falling down.
- Do not attach the product to highly dangerous, very uneven or unstable surfaces.
- Follow the manufacturer's instructions for correct installation.
