Article Numbers: 881854, 881647

Safety Instructions:

- Not suitable for children under 3 years due to small parts.
- Battery not included, therefore purchase separately before use. The battery should be disposed of safely to prevent risks of environmental damage.
- Avoid using the watch in damp environments. The back of the watch must not come into contact with water.
- The watch should be checked regularly for damage.
- Make sure that the wall clock is placed out of the reach of children.
- Only use the recommended 1.5 V AA battery to avoid damage or safety risks.
- The glass windscreen could break, so make sure that it is not dropped.
- The product should not be damaged by excessive moisture or extreme temperatures.
