**Manufacturer/Responsible Person:** VAR GmbH, Im Gleisbogen 10-12, 45770 Marl, Deutschland

**E-Mail:** sales@var.eu

Please note the technical data of the products!

**Article Numbers:** 130589, 130588, 130587, 130586

### Safety Instructions:

- Make sure that the waste bin is stable on a level surface to prevent it from tipping over.
- Avoid direct contact with sharp edges of the metal to prevent injury.
- Remove the waste bags from the waste bin in accordance with the hygiene regulations.
- Check the condition of the product regularly to ensure that there is no risk of wear and tear.
- Not suitable for children as there are no safety mechanisms for accessing the waste.
- Use only outdoors or in well-ventilated areas to minimise the risk of respiratory problems caused by odours or vapours.
- Please note that the container can be heavy when full; have at least two people on hand when transporting it.
- Empty the bin liner regularly to prevent waste from overflowing and reduce hygiene problems.
- Avoid overfilling the waste bin as this can lead to improper use.
- Keep the waste bin away from heat sources to prevent damage to the material.
- The material can be damaged if aggressive cleaning agents are used, so only recommended cleaning agents should be used.
