Safety Instructions:

- Only use the chair on level and stable surfaces to prevent it from tipping over.
- Sitting time no longer than 8 hours per day.
- Do not load over 110 kg; please observe the recommended maximum weight to ensure safety and durability.
- Ensure that the height adjustment is set correctly and only carry out this adjustment when it is locked.
- Regularly check the strength of the screws, connections and the chair as a whole for wear and function.
- Ensure proper installation and follow the installation and safety instructions.
- Suitable for use by adults only.
- Do not use if the chair is damaged or defective.
- Avoid excessive pressure on the backrest to prevent damage to the permanent mechanism.
- Do not use harsh or abrasive cleaning agents; regular cleaning of the fabric cover is recommended to ensure durability.
- Improper use can lead to injuries.
