Safety Instructions:

- Make sure that the office chair is not forcibly adjusted to avoid damage and injury.
- Only use the chair on designated surfaces, especially when using it on carpets, to prevent it from slipping.
- Keep the area around the chair clear of obstacles to prevent falls and injuries.
- Observe the recommended maximum load of 110 kg to avoid structural damage.
- Only use the chair in accordance with the manufacturer's instructions for assembly and use.
- Failure to observe these instructions may increase the risk of injury.
