Article Number: 130492

Safety Instructions:

- Batteries 2 x AAA required, not included. Only operate with suitable batteries.
- Take care when programming and entering code: improper use can lead to undesirable behaviour.
- The product may not function properly if it is installed or used incorrectly.
- Keep out of the reach of children, as small parts can pose a choking hazard for children.
- If the battery power is low, pay attention to the error message on the display and replace the batteries in good time.
