Article Numbers: 141915, 141771, 144005, 144004

Safety Instructions:

- Choking hazard due to small parts and improper use.
- Risk of slipping if used improperly or on unsuitable floors.
- Risk of electric shock with electrical versions of the product.
- Fire hazard when used near open flames or heat sources due to flame-retardant material such as PVC.
- The stool is not suitable for children and should not be used as a toy due to the risk of choking on small parts.
- Take care not to use the stool on uneven surfaces to avoid the risk of falling.
- Observe the maximum load capacity of the stool to avoid tipping over and injuries from falling.
- Safety precautions for use on carpeted floors including castor testing to minimise the risk of slipping.
- Avoid overloading the gas spring when adjusting the height.
- Check the product regularly for signs of wear or damage.
- Take care when using near open flames or heat sources.
