Article Numbers: 211355, 211354, 211352

Safety Instructions:

- Caution: Product can fall over if used incorrectly. Ensure that the belt post is stable to prevent it from falling over and causing injury.
- Not suitable for use by children without supervision. Pay attention to children during use to avoid possible injury. Not suitable for use by children under 3 years of age to avoid the risk of choking on small parts.
- Secure installation and anchoring required to avoid the risk of falling. Carefully read and follow the instructions for installation and safe use before use.
- Regularly check the stability of the harness post and the docking devices to prevent accidents.
- Caution: The belt post has a height of 985 mm, avoid contact with the head or body region in the event of a collision.
- The product has a weight of approx. 9 kg; make sure that it is securely mounted to prevent it from tipping over.
- To avoid damage or accidents, do not extend the belt beyond the recommended belt extension length of 2.3 metres.
- Watch out for sharp edges and corners to prevent injuries.
