Article Number: 150345

Safety Instructions:

- Please ensure that the case is not used above the recommended temperature limit of -40° to +75° C in order not to impair the materials and functionality.
- The case is shock-resistant, but it is not suitable for transporting excessive weights or sharp-edged objects in order to avoid damage.
- To ensure safe use of the case, you should make sure that the self-locking latches are always securely closed.
- The case should be kept out of the reach of children to prevent possible injury or improper use.
