Safety Instructions:

- Do not exceed a body weight of 125 kg
- Observe the recommended sitting time of up to 8 hours
- Ensure that the backrest and seat are correctly adjusted to prevent back strain
- When using the headrest, ensure that it is correctly positioned to support the neck
- The fabric cover is flame-retardant in accordance with EN 1021 1+2, but be careful when handling naked flames
- Regular cleaning of the fabric cover to maintain robustness and colour fidelity
- Not suitable for children under 14 years of age, as there may be risks if used incorrectly
