Article Numbers: 53601, 53600, 53599

Safety Instructions:

- Maximum load: 110 kg for user.
- Recommended sitting time: Maximum 8 hours.
- Risk of injury due to improper use of the height adjustment and handling of moving parts.
- Make sure that the double safety castors are correctly adjusted to prevent tipping.
- Regularly check the mechanics for damage to ensure safety.
- Avoid using it on uneven or slippery surfaces and ensure that it is stable.
- The chair is only suitable for adults; not intended for children under 14 years of age.
- Risk of suffocation due to improper handling of small parts and adjustment of the height adjustment.
- Risk of falling if used incorrectly or overloaded with more than 110 kg.
- Observe the correct sitting posture and use the adjustment options for maximum comfort.
- Changes to the product may affect safety and conformity.
- Risk of slipping on smooth surfaces due to unsuitable castors.
