Safety Instructions:

- Ensure that the coat stand is placed on a stable, level surface to prevent it from tipping over.
- Avoid using the stand near heat sources or in humid environments.
- Protect the coat rack from excessive loads to prevent damage and tipping over.
- Keep the stand away from children to minimise the risk of injury from objects tipping over or being pulled down. The stand is not suitable as play equipment.
- Make sure that the product does not have any sharp edges or splinters.
- Protect the product from heavy weather and moisture to prevent corrosion.
- Caution: Product is not suitable for children under 3 years of age as it may contain small parts.
- When assembling the product, follow the instructions carefully and regularly check the stability of the stand parts, such as the base and hooks.
