Safety Instructions:

- Not suitable for children under 3 years of age - choking hazard due to small parts. Keep small parts and objects out of the reach of children. Ensure that no small parts can break off in the event of improper assembly or handling.
- Place on a stable and level surface before use to prevent tipping over or rolling away. Check the locking mechanisms of the castors regularly.
- Only use on level surfaces to ensure safe mobility and prevent uncontrolled rolling.
- Improper use or overloading can impair stability and increase the risk of breakage.
- Follow the instructions for self-assembly. Read and follow them carefully to ensure that all parts are fitted correctly.
- Risk of injury due to improper use of the lockable compartments. Make sure that the lockable compartment is not overloaded so as not to impair the function of the lock.
- The safe handling of the swivel castors ensures that the mobile container does not roll away uncontrollably.
