

Product Safety Information

Counter top ULM, W 1600 x D 320 x H 350 mm

Please note the technical data of the products!

Article Numbers: 15075, 15067, 10479, 101385

Safety Instructions:

- Check the stability of the counter top before use and ensure that it is correctly fitted to prevent objects from falling over or dropping.
- Avoid overloading the counter top to prevent it from tipping over, collapsing or damaging the structure.
- Keep the counter top away from naked flames, extreme heat sources and moisture to prevent damage to the material.
- Only clean the counter top with gentle cleaning agents so as not to damage the surface.
- Make sure that all screws are firmly tightened during installation to ensure safety.
- Follow the instructions for safe use and ensure that no sharp-edged objects are positioned to avoid injury.
- Sharp edges can pose a risk of injury; be careful when handling.
- Ensure that the product is placed on a stable, level surface to prevent it from slipping.
- The product should be assembled in accordance with the enclosed instructions to ensure stability.
- Avoid risk of suffocation due to improper handling during installation.
