

Product Safety Information

Counter top ULM, W 1200 x D 320 x H 350 mm

Please note the technical data of the products!

Article Numbers: 15076, 15066, 10682, 101384

Safety Instructions:

- Ensure that the counter top is stable and properly mounted to prevent it from tipping over or slipping.
- Plate is impact and scratch resistant; however, sharp objects should be avoided to prevent scratches and damage.
- The melamine resin coating can be wiped off with a damp cloth; do not leave liquids on it for long periods.
- Keep the product away from sources of fire and heat to avoid the risk of fire and damage.
- Keep the product away from moisture to prevent damage to the chipboard.
- Follow the manufacturer's installation instructions exactly to avoid uncertainties and possible dangers.
- Ensure that the correct screws and tools are used for self-assembly.
- Do not place the product near sources of heat or moisture to prevent damage.
- Product not suitable for children under 3 years of age due to the risk of choking on small parts in the packaging.
- Observe maximum load of the counter top: 50 kg.
- Carry out assembly in accordance with the enclosed instructions to ensure stability.
- Do not use aggressive cleaning agents to avoid damaging the surface.
