Safety Instructions:

- Be aware that the wheels can break if used incorrectly or overloaded.
- The product is not suitable for children under 3 years of age due to the risk of small parts.
- Ensure that the floor stand is sufficiently stable and only use the product on a stable and level surface to prevent it from tipping over.
- Only use the product for the specified roller diameters and sleeve diameters.
- The floor stand should be used under adult supervision, especially when used in the vicinity of children.
- Ensure that the product location is protected from direct sunlight to prevent discolouration of the material.
- Regularly check the product for damage or wear and tear to ensure safety.
