

Product Safety Information

Crash protection post with base plate

Manufacturer/Responsible Person: MORAVIA GmbH, Rostocker Str. 10, 65191 Wiesbaden, Deutschland

E-Mail: service@moravia.de

Please note the technical data of the products!

Article Number: 131191

Safety Instructions:

- Beware of possible injuries due to careless handling of the support post when operating forklift trucks and manoeuvring.
- Ensure that the support post is properly installed to avoid any risk of movement.
- Avoid contact with sharp edges during installation.
- The base plate must be properly secured to prevent the post from tipping over.
