Safety Instructions:

- Ensure that all mat edges are secured to minimise the risk of tripping, especially at the mat transitions.
- Only use the mat on stable, non-slip and level surfaces.
- Clean regularly to avoid the risk of slipping due to soiling.
- Do not use the mat in areas with extreme heat, fire sources or chemical substances. It is self-extinguishing but not fireproof.
- Avoid the risk of suffocation by not handling the mat improperly or overstretching it.
- Regular inspection for wear or damage to optimise safety.
- Take care when using in areas contaminated with oils and greases.
