Safety Instructions:

- Place the information stand on a stable surface to prevent it from toppling over.
- Handle sensitive parts (acrylic/aluminium) carefully to avoid breakage and injury.
- Follow the installation instructions carefully and use only recommended components to ensure safe use.
- When replacing signage, ensure that no sharp edges protrude to avoid injury.
- Check the product regularly for stability and damage, tighten screws if necessary.
- Keep the information stand out of the reach of small children to minimise the risk of falling.
