Safety Instructions:

- Keep the product away from children to avoid the risk of choking on small parts.
- Only use for the intended purpose to avoid accidents and damage.
- Do not overload the drawer to reduce the risk of tipping when stacking.
- Ensure that the product is stable on the base to prevent it from falling.
- Do not store the product near heat sources or in direct sunlight.
- Make sure that the drawers are fully closed to avoid injury.
- Keep confidential documents safe to prevent unauthorised access.
- Keep the product away from water and chemicals to prevent material damage.
- Do not stack beyond the maximum capacity to avoid injury or damage.
- Before stacking, ensure that all letter tray drawers are fully inserted.
- The drawers should be checked regularly for cracks or breakages.
