Safety Instructions:

- The linking plate should be mounted on a stable surface to avoid the risk of tipping.
- When connecting several tables, ensure that the individual components are securely and firmly connected to each other.
- The edges are impact-resistant thanks to ABS edging, but be careful with knocks and heavy objects.
- Do not use the plate as a standing aid or use it improperly.
- Cleaning with a damp cloth is recommended; do not use aggressive cleaning agents to avoid damaging the coating.
- Take care with incorrect assembly to avoid the risk of tipping over.
- Not suitable for children, keep away; neither toys nor to be used by children.
- Avoid excessive load to prevent damage.
- Use with other furniture should be stable and safe.
- Do not use abrasive or scouring agents to protect the surface.
- Ensure that the plate is properly secured to prevent it from slipping or tipping over.
- Do not use on damp surfaces to avoid the risk of slipping.
- Check that all components are intact before installation.
- If necessary, wear protective gloves during installation to avoid injury.
- Read the installation instructions carefully before use.
- Only install with the tables provided and in accordance with the instructions.
- Observe protective measures to prevent injuries during use.
- In the event of malfunctions or damage, contact the manufacturer immediately.
