Safety Instructions:

- Assembly to be carried out by adults only.
- Before use, ensure that all connecting elements are firmly seated.
- Do not overload the product to ensure stability.
- Do not use near sources of heat or strong sunlight.
- Do not use aggressive chemicals for cleaning, instead use only a damp cloth.
- Smaller parts may pose a choking hazard for children. Keep the product out of the reach of children and not suitable for children.
- When using as a coffee counter, ensure that no heavy objects are placed on the top shelf.
- Round edges and surface coatings are impact-resistant, but be careful when transporting and setting up.
- Improper installation can pose a risk of overturning. Ensure that the top plate is mounted securely and stably.
- Avoid use in very damp conditions. Keep the top plate away from moisture.
- Keep the surfaces away from hot and heavy objects to prevent damage.
- Sharp edges can pose a risk of injury, so take care.
- The surface can be damaged by hot cups or objects; use coasters.
