Safety Instructions:

- Contains small parts that may pose a choking hazard. Keep out of the reach of children.
- Ensure that the product complies with national safety standards.
- Product not suitable for use by children under 3 years of age.
- Make sure that the shelf is stable and, if necessary, fixed to the wall to prevent it from tipping over.
- Carry the installation instructions with you and follow them to avoid incorrect installation.
- Avoid overloading the shelves and overloading with heavy objects to ensure stability.
- Do not use harsh or aggressive cleaning agents on the surface and keep the product away from moisture and direct heat sources.
- The product is intended for indoor use only.
- Make sure that the shelf is standing on a level and stable surface.
- When using the product, ensure that the limit loads are observed in order to minimise the risk of falling.
- Recommended installation by qualified persons.
- When attaching to walls or using side holes, make sure to ensure safety.
- Use by children should be supervised to minimise the risk of injury.
- Ensure that edges and corners do not pose a risk of injury.
- In the event of injury or damage, contact the supplier immediately.
- Use only for its intended purpose, not as a staircase or seat.
- The product is not suitable for use by children and should be kept out of their reach.
