Safety Instructions:

- Make sure that the desk is placed on a stable, level surface to avoid the risk of falling and tipping over.
- Use the height levelling screws to ensure the stability of the desk and check them regularly.
- Make sure that all cables are neatly stowed in the integrated cable tray to avoid tripping hazards.
- Follow the assembly instructions carefully to ensure the stability and safety of the desk.
- The desk is not suitable for outdoor use and should only be used in dry indoor areas.
- Avoid excessive loads on the table top to prevent it from tipping or wobbling and to avoid unnecessary damage.
- Use of the product by children should be supervised to avoid unsafe use.
- Use suitable tools for self-assembly and ensure that all screws are tightened.
- Protect the desk from moisture and direct sunlight so as not to damage the melamine resin coating.
- When using screens, ensure that they are securely fastened and have rounded edges to prevent injuries.
- Transport the desk with enough people to prevent injuries when lifting.
