Safety Instructions:

- Follow the installation instructions carefully and use suitable tools and protective measures to avoid injury.
- Ensure that the desk is placed on a stable and level surface and use height levelling screws for stability on uneven floors to prevent tipping.
- Pay attention to your safety when handling sharp edges or heavy parts and check for splinters to minimise risks.
- When using cable ducts or cable trays, ensure that no cables jeopardise stability or safety in order to avoid the risk of tripping and short circuits.
- When installing, ensure that the instructions are correct and that the connections are tight to ensure safe use.
- Make sure that the edge of the desk is round to avoid injury.
- Follow the care instructions for the melamine surface to ensure a long service life.
- Product safety: Dispose of the product in accordance with local regulations for furniture waste.
