

Product Safety Information

Column table JENA, Ø 800 mm, H 720-1100 mm

Please note the technical data of the products!

Article Numbers: 14471, 14470, 14469, 14468

Safety Instructions:

- Not suitable for children under 3 years due to possible choking hazard from small parts.
- Height adjustment should only be carried out by adults and excessive pressure on the gas pressure spring should be avoided to prevent failure.
- When using as a high table, secure castors or glides to prevent slipping and ensure correct posture to avoid injury.
- Always place the table on a stable, level surface to prevent it from tipping or falling over.
- Avoid sharp objects on the tabletop to prevent damage and be careful with sharp edges.
- The product is not suitable for children due to the height adjustability and possible unstable use.
- Do not leave children unattended during use to prevent them from falling over or becoming trapped.
- Use only in accordance with the stated specifications and on the intended surfaces.
- Avoid risk of suffocation from loose or small parts, especially if used incorrectly.
