

# Product Safety Information

## Pedestal JENA, W 400 x D 800 x H 720 mm

Please note the technical data of the products!

**Article Numbers:** 14491, 14490, 14360

### Safety Instructions:

- Caution: Sharp edges - avoid direct contact to prevent injury.
- Not suitable for children under 3 years of age due to small parts that can be swallowed.
- Please ensure stable positioning to avoid the risk of tipping.
- Please follow the instructions supplied exactly when fitting.
- Make sure that the pedestal stands on a stable and level surface to prevent it from tipping over.
- Avoid storing heavy objects beyond the maximum load limits to prevent damage.
- At least two people are required when assembling or moving the container in order to avoid injuries.
- Keep the pedestal away from heat sources and open flames to ensure fire protection.
- Avoid using the pedestal near water sources or in damp locations.
- Regularly check that all parts of the pedestal are secure and intact.
- Keep the surfaces of the free-standing container clean to avoid the risk of slipping.
