Article Numbers: 45277, 45276, 45275

Safety Instructions:

- Correct use of the height adjustment and regular checks of the fixed seating position to ensure stability and prevent falls.
- Ensure that the plate is mounted on a stable and level surface to prevent it from tipping over.
- Avoid sharp edges, use ABS edge banding and be careful when handling the edges of the board.
- Do not use excessive force during assembly and use to avoid damaging the chipboard.
- Installation must be carried out in accordance with the manufacturer's instructions to prevent wobbling and falling over.
- Regularly check the stability of the height settings and the floor levelling screws.
- Take suitable levelling measures for uneven floors.
- Do not exceed the permissible load on the panel to avoid damage.
