Article Numbers: 44838, 44837, 44836

Safety Instructions:

- Place the table on a level surface to prevent it from tipping over.
- Use the table away from heat sources and extreme humidity conditions.
- Adjust the floor levelling screws correctly and check them regularly to ensure stability and prevent wobbling.
- Only use the specified height adjustments in accordance with the operating instructions to ensure safe use and avoid damage.
- If you are unsure about installation or use, contact the manufacturer.
- Take care when handling sharp edges of the wooden panels to avoid injury.
- Take care when adjusting the height to avoid crushing.
