Safety Instructions:

- Choking hazard due to small parts - Keep the mobile container out of the reach of children.
- Ensure that the mobile pedestal is placed on a stable, level surface to prevent it from wobbling or tipping over.
- If the product is intended for children, appropriate safety measures should be taken and it must not be used as a toy.
- Make sure that children do not come into contact with the moving parts of the mobile container to avoid injury.
- When using telescopic ball bearing runners, secure the mobile container to prevent it from tipping over.
- Avoid overloading the drawers to prevent the material from breaking or warping.
- Prevent children from using the drawers as a climbing aid.
- Observe safety instructions - Have the instructions and safety information on the packaging ready.
- Only use the product in accordance with the intended instructions for use.
