Please note the technical data of the products!

Article Numbers: 48206, 48205, 48204

Safety Instructions:

- Place the mobile pedestal on a level surface to prevent it from tipping over.
- Avoid excessive weight in the drawers and do not overload them to prevent damage or tipping.
- Keep the mobile pedestal away from children to prevent injuries caused by jamming or tipping over.
- Use the drawers with a pull-out stop to prevent injuries caused by sudden removal.
- Take care with small parts - choking hazard for small children.
- Make sure that the pull-outs are stable, as there is a risk of injury due to improper use.
- Check the strength and stability of the structure before use.
- Products such as the mobile pedestal can tip over or become unstable if used incorrectly.
- Safety information should be provided in a language that is easy to understand.
