Safety Instructions:

- Not suitable for children under 3 years due to potential choking hazard from small parts.
- Ensure safe installation and handling in accordance with the enclosed instructions.
- Set up the shelf stably and on a level surface to prevent it from tipping over.
- Use the shelf according to the maximum load capacity of each compartment to avoid structural damage.
- The shelf may only be loaded with the recommended maximum loads per shelf. Ensure that the floor load is not exceeded.
- Keep the shelf away from moisture and direct heat sources to prevent material damage.
- When adjusting the shelves, make sure that they are inserted correctly and securely.
- The shelf is not suitable for use by children without supervision, as small parts and sharp-edged parts can pose a risk of injury.
- The stability of the shelving should be checked regularly to avoid any risk of it tipping over.
- Avoid improper use to prevent injuries.
