Article Numbers: 49017, 49016, 49015

Safety Instructions:

- Ensure that the equipment is stable, regularly checked for safety and mounted on a stable surface to prevent tipping and accidents.
- Ensure that no excessive load is placed on the shelves and that the maximum permissible load on the shelves is not exceeded in order to avoid damage or collapse.
- Avoid using sharp objects in the vicinity of the product and ensure safe use to prevent injury from sharp edges. Be aware of the risk of injury during assembly, even if there are no sharp edges or burrs.
- Children should always be supervised when they are near the furniture and should not play with adjustable shelves or elements to avoid injury.
- The product should be protected from moisture and not stored in extreme temperatures.
- To ensure stability and safety, do not load the product in the event of improper assembly or overloading.
- Set up out of the reach of children to minimise the risk of falling.
- Only use the materials recommended by the manufacturer for mounting and installation.
