Safety Instructions:

- Ensure that the cabinet is stable and securely positioned to prevent it from tipping over.
- Observe the maximum load capacity of the shelf: no more than 50 kg.
- The cabinet is not suitable for use by children. Keep out of reach of children to avoid risks.
- Caution during assembly: Install all parts correctly to avoid the risk of injury.
- Use only in accordance with the instructions for installation and use to avoid damage and safety risks.
- Beware of sharp edges and corners when touching to prevent injuries.
- Make sure that the cover plate is not overloaded by heavy objects.
- The cabinet should be placed on a level surface to prevent it from tipping over.
- Not suitable for children under 3 years of age as small parts pose a choking hazard.
- Lift and carry the cabinet with care to avoid injury.
- Make sure that no objects are blocking the entrance to the blind to prevent damage.
- Avoid using harsh chemicals for cleaning so as not to damage surfaces.
- Keep the cabinet away from heat sources to prevent material damage.
- For inexperienced users, the use of personalised safety instructions is required.
