Safety Instructions:

- Make sure that the table is stable and secure on the stand to prevent it from tipping over.
- Avoid excessive loads and damage to the table top caused by sharp or heavy objects.
- Keep the table away from heat sources and direct sunlight.
- Only carry out height adjustments in accordance with the specified instructions, and only by adults, to avoid injury.
- Do not place any heavy objects under the table to avoid tripping hazards.
- Ensure that the table is assembled and used by adults in accordance with the enclosed instructions.
- When using the table, ensure that there is sufficient space for all users to minimise the risk of falling.
- Regularly check the stability and safety of the table.
- Any defects or damage should be reported immediately.
