Safety Instructions:

- Make sure that the table is stable and cannot tip over.
- The height adjustment of the table should only be carried out in accordance with the manufacturer's instructions and by adults in order to avoid injuries and instability.
- During assembly, make sure that no parts are lost or incorrectly assembled and check all parts for damage.
- The table is designed for indoor use and should not be used outdoors to avoid material fatigue.
- Check regularly for loose screws and parts.
- Avoid loads above the maximum load limit of the table to prevent damage or tipping over.
- Take care when using sharp objects on the table to avoid damaging the surface.
- Use suitable sliding pads to avoid scratching the floor.
- Not suitable for children under 3 years due to choking hazard from small parts.
- When installing, ensure that sharp edges do not cause any injuries.
