### Safety Instructions:

- Regularly check the stability of the table legs and the entire table.
- The height adjustment may only be carried out by authorised personnel.
- The product is not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Ensure that the table is on a level surface and that the levelling screws are tightened to prevent wobbling.
- Avoid placing heavy objects on the table to prevent it from tipping or falling over.
- Secure the tabletop before use to minimise the risk of it falling over.
- Keep the table away from heat sources and sharp objects to prevent damage.
- When using the height-adjustable frame, care must be taken not to overload the mechanism.
- The table height can be adjusted between 720 mm and 820 mm to prevent injuries caused by inappropriate seat heights.
- The product should not be used as a toy, especially not in the vicinity of children, to avoid the risk of accidents.
- Ensure that no liquids are spilt on the tabletop to avoid the risk of slipping.
