Article Numbers: 142326, 142325, 142324, 142323, 142289, 142288, 142287, 142286, 142246, 142245, 142244, 142243

Safety Instructions:

- The product is not suitable for use by children. Ensure that children do not get near the shelf or use it.
- Ensure that the shelf is stable and securely fastened to the wall to prevent it from tipping over. Set up on a stable and level surface.
- The maximum load on the shelf should not be exceeded in order to avoid structural damage. Do not overload the shelves.
- Beware of sharp edges and corners of the furniture. Risk of injury possible, therefore careful handling required.
- The shelf should not be installed near heat sources. Avoid fire and material damage.
- Only use the product indoors and on protected surfaces to avoid material damage caused by moisture and temperature.
- Avoid contact with naked flames or high temperatures to reduce the risk of fire.
- Before assembly, ensure that all parts are present and follow the instructions carefully to ensure safe and stable use.
- Replace damaged parts immediately to minimise safety risks. Regular inspection for wear and stability recommended.
- Keep out of the reach of children to avoid risks due to improper use. Warnings should be displayed in understandable language.
- Improper use can result in serious injury or damage to property. Careful installation required. Follow the technical documentation carefully.
