Safety Instructions:

- Before use: Check the glass base for cracks or damage.
- Safety glass: breakage can leave dangerous edges. Handle with care.
- Do not overload: Excessive weight can cause the glass shelf to fail.
- Keep out of the reach of children to avoid the risk of injury.
- Glass base can be sharp-edged; risk of injury!
- There is a risk of breakage if handled incorrectly; do not drop the product.
- Follow the installation instructions carefully to avoid unsafe installations.
- Ensure that the glass base is properly supported to prevent it from breaking through.
