Please note the technical data of the products!

Article Numbers: 20442, 20347, 20318

Safety Instructions:

- The product is not suitable for children under 3 years of age, as small parts can choke and there is a choking hazard from unmentioned parts.
- Improper handling can damage the product, resulting in sharp edges. Avoid contact with sharp edges and excessive forces.
- Avoid using the product in damp or wet environments to prevent damage and minimise the risk of slipping.
- Keep the product away from sources of fire as it is made of polystyrene, a flammable material. Dispose of it in accordance with local regulations.
- Ensure that the product is not installed near heat sources.
- Ensure that the product is used in offices; unsuitable for children under 3 years of age for safety reasons.
- The product should not be overloaded to prevent damage or tipping over.
- Do not use tools for assembly, as incorrect assembly can lead to instability. Check the stability and safety of the structure to prevent it from tipping over.
