## Cabinet 2 hinged doors, W 800 x D 420 mm

Please note the technical data of the products!

**Article Numbers:** 15586, 15577, 15324, 15323

### Safety Instructions:

- Take care not to place the cabinet near heat sources or in direct sunlight to avoid deformation of the material.
- Avoid using aggressive cleaning agents so as not to damage the surface.
- Ensure that the cabinet is placed on a stable and level surface to prevent it from tipping over.
- Use the cabinet in accordance with the recommended assembly instructions to avoid injury and ensure that all parts are correctly assembled.
- The edges of the cabinet are rounded, but sharp edges should be checked and handled carefully during assembly to avoid injury.
- The product may only be used within the limits recommended for the intended use, especially when using small parts such as handles.
- During assembly and use, follow the manufacturer's instructions to avoid injury or damage; also observe standard safety precautions for wooden products.
- For indoor use only, do not expose to the weather.
- Avoid loading the cabinet with heavy objects that exceed the permissible load capacity.
- Keep the cabinet out of the reach of small children to reduce the risk of injury from climbing or being pulled down.
