

# Product Safety Information

## Platform scale EN

**Manufacturer/Responsible Person:** Kern & Sohn GmbH, Ziegelei 1, 72336 Balingen, Deutschland

**E-Mail:** info@kern-sohn.com

Please note the technical data of the products!

**Article Numbers:** 131406, 131405, 131404, 131402, 131401, 131400, 131399, 131398, 131397, 131396, 131395, 131394, 131393, 131392

## Safety Instructions:

- Choking hazard due to small parts if the product is used or transported improperly. Keep out of the reach of children.
- Risk of electric shock if the electrical connection is used incorrectly. Protect the device from water and moisture.
- Only use the specified batteries. Batteries are not included in the scope of delivery and must be stored safely.
- The product must not be used near water or in damp environments to avoid short circuits and electrical hazards.
- The scales should be used on a stable and firm surface to prevent them from wobbling or falling over.
- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Only use the scale within the specified weighing range to ensure correct measurement.
- Store the device at temperatures between 0°C and 40°C to ensure safety and functionality.
- Before use, check that the display unit and the scales are properly connected.
- Do not load the scales beyond the maximum load (various maximum loads: 6 kg, 12 kg, 24 kg, 60 kg).
- Only operate with the intended power supply unit to avoid overheating. Only use the mains connection with the specified voltage (230 V/50 Hz).
- Read the operating instructions carefully before use.
