Article Number: 95252

Safety Instructions:

- Observe the security lock for the door to prevent unauthorised access
- The design of the product ensures safe handling and prevents injuries
- Due to the weight of the cabinet, use secure support or two people to lift it
- When used on uneven surfaces, the risk of tipping can increase, so ensure that the cabinet is placed on a stable surface
- Hinged elements are equipped with safety mechanisms to prevent them from closing unexpectedly
- Observe disposal instructions in accordance with local regulations
