Article Numbers: 825908, 825907, 825906, 825905, 825904, 825903, 825902

Safety Instructions:

- The product is made from FSC-certified recycled material and the window film is biodegradable in accordance with EN 134329.
- Not suitable for small children: The product may be misinterpreted as a toy and may contain small parts that pose a choking hazard for children under 3 years of age.
- Keep the product and packaging out of the reach of children to prevent accidental use or choking on pieces of paper.
- Avoid contact with water-based paints in the interior and excessive moisture to prevent soiling or structural damage to the envelope.
- Product should not be used with aggressive chemicals or in direct contact with food unless it complies with Regulation (EC) No 1935/2004.
- If used improperly, the window film can be damaged and release substances; the materials are flammable.
- Dispose of the product and packaging in an environmentally friendly manner in accordance with local regulations.
- Only use the product for its intended purpose.
