Article Numbers: 465036, 120120

Safety Instructions:

- Caution: The lid may break or fall out if handled incorrectly. Before use, ensure that there is no risk from improper use.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Use in conjunction with appliances that carry electrical current could be dangerous. Keep the lid away from electrical appliances.
- During storage, ensure that the lid is not subjected to excessive loads in order to avoid deformation.
- Ensure that the product is made of safe and environmentally friendly material (recycled ABS material).
- Enclose instructions for safe use and disposal if necessary.
- Label the product properties and warnings on the product or packaging.
- Check compatibility with other products if joint use is intended.
