Article Number: 131538

Safety Instructions:

- During use, ensure that the maximum static load of 300 kg is not exceeded.
- The workbench should be placed on a stable and level surface to prevent it from tipping over.
- When installing the floor levelling screws, the instructions must be followed to ensure safe standing behaviour.
- The doors are fitted with cylinder locks, please note the upcoming security requirements when using them.
- Injuries can occur if the workbench is handled incorrectly. Make sure that children are not allowed to use the workbench.
