Please note the technical data of the products!

Article Number: 131533

Safety Instructions:

- The workbench may only be used by one person to prevent it from tipping over or the risk of injury.
- Do not place heavy loads on the workbench that exceed the maximum load of 300 kg.
- Be careful when using the drawers; only fill them one after the other and with a maximum weight of 35 kg to prevent them from tipping over.
- The workbench must be set up on a level surface to ensure stability.
- Ensure that all mounting screws and fastenings are checked regularly to ensure that they are secure.
- Do not use the workbench near water or other liquids to avoid electrical hazards.
